

 **OPERATION BLESSING**

---

**REACHING THE  
WORLD IS JUST  
A STEP AWAY**

**“Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me.”**

—Matthew 25:40

Families and children around the world are hurting—without access to clean water, medical care, critical help in disasters, and opportunities to build a better life. But your church can be the hands and feet of Jesus and show the love of Christ to so many in dire circumstances, giving them what they need most—hope!

At Operation Blessing, we believe the church is God’s chosen vessel to bring help and hope to a hurting world. Today, your congregation can send that hope by providing tangible help to those with the greatest need in very specific ways. Together with your partnership, we can be the love of Jesus and change the world—one person and one community at a time.

Fulfill your mission and calling by joining with us to reach the hurting!

# CLEAN WATER

**“And whoever gives one of these little ones even a cup of cold water because he is a disciple, truly, I say to you, he will by no means lose his reward.”**

—Matthew 10:42

Lack of clean water can be dangerous and even deadly. Drinking contaminated water from old wells, ponds, and rivers can lead to serious, but preventable, water-borne illnesses, especially for the most vulnerable—children and the elderly. But often, families simply have no other option available.

## **Provide Clean Water to Entire Communities**

Your church can help desperate communities overcome the chains of poverty by helping build a hand-pump water well that will provide clean water that is safe—for everyone—to drink.

**Hand Pump Water Well: \$6,500**

# CHILD DEVELOPMENT

**“Let the little children come to me and do not hinder them, for to such belongs the kingdom of heaven.”**

—Matthew 19:14

Too many children around the world are lost, lonely, abandoned, and abused. They are orphaned or live in dangerous situations, leaving them vulnerable and unsafe. These precious little ones need extra support from the body of Christ in order to overcome their circumstances and thrive.

## **Give Vulnerable Children a Chance to Thrive**

By coming alongside our Orphan's Promise School of Life program, you can give orphaned and at-risk children the educational, emotional, nutritional, and spiritual support they need to do more than survive. These after-school programs provide a safe place for children to get nutritious food, build life skills, find friendships, and learn about God's love for them. Your partnership is building a future that will impact generations.

**School of Life program in Southeast Asia: \$5,270**

# DISASTER RESPONSE

**“Do not withhold good from those to whom it is due, when it is in your power to do it.”**

—Proverbs 3:27

When a disaster strikes, no one is safe from its devastation and heartache. But some families and communities lack the resources to even begin to clean up, let alone rebuild. We work with churches, local authorities, and partners on the ground to take immediate relief and aid to the most vulnerable survivors who don't have the ability or the resources to begin the path to recovery.

## Help Victims of Disaster Recover

Your congregation can rush valuable food to help families in the U.S. who have lost everything or are without electricity and water for an indefinite period of time.

**50 U.S. Meal Kits: \$2,500** (\$50 per kit)

# HEALTH & MEDICAL CARE

**“Bear one another’s burdens, and so fulfill the law of Christ.”**

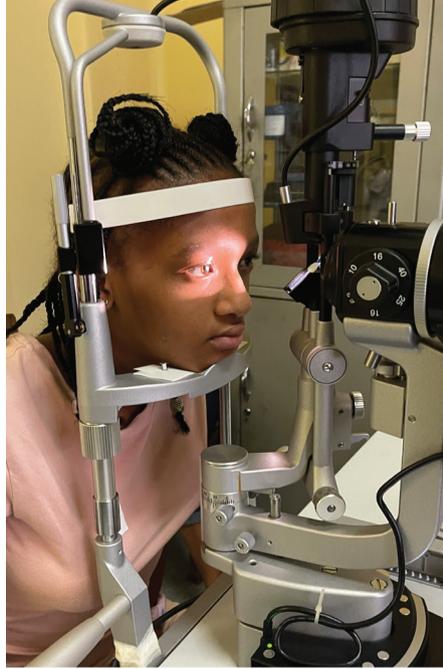

—Galatians 6:2

Families in underprivileged communities often have limited or no access to basic healthcare—the nearest medical facility hours or days away. They have no choice but to live with debilitating conditions that could easily be corrected with surgery. But they don’t have to suffer.

## **Send Quality Care to the Sick and Hurting**

Your compassionate care sends the gift of healing through life-changing surgery! Come beside a hurting family today and give them hope for a better future.

**One Life-Changing Surgery: \$1,320**

# HUNGER RELIEF

**“For I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stranger and you welcomed me.”**

—Matthew 25:35

Too many children endure the night with empty bellies due to famine, poverty, or other circumstances beyond their control. Their families can't afford food, or their communities do not have the resources to grow enough food to feed everyone. Malnutrition can lead to developmental delays and even stunted growth. But we can do better.

## **Relieve the Pangs of Hunger**

With your help, we can provide more than immediate food assistance. You can help a family build a livelihood that will help them climb out of the bondage of poverty. Together, with your love and provision, we can defeat hunger one family at a time.

**Poultry Project (Average Cost) : \$5,888**

## Disciple Kids in Your Church. Reach Children Around the World.

Superbook Academy and the Kids Bible App equip your ministry with powerful, Bible-based resources that engage and disciple children.

Your support helps translate episodes, distribute the app, and create global discipleship tools—so kids everywhere can meet Jesus in their own language.

Use it. Share it. Multiply it.
